Re: Pakistanis Against Zionist Interests (PAZI)

Dear [Name],

Thank you for forwarding today the letter (flyer) you received from the Pakistanis Against Zionist Interests (PAZI). As I relayed to you on the phone last night when you called to inform about this letter, and also today when you provided me with the actual letter, I vehemently oppose and condemn the views expressed in the letter by PAZI. The so-called PAZI group does not represent me in any way, nor do I have any knowledge of this group or anyone associated with them.

The letter from PAZI is full of hate and does not in any way express my beliefs or value system, nor by the way do their views reflect the teachings of Islam. I have never, nor will I ever, bear any prejudice against any individual or groups based on religion, race, ethnicity or national origin. I particularly want to state that I do not hold any prejudice or ill feelings against people of the Jewish religion, as PAZI apparently does. Further, I most definitely neither want nor seek nor welcome any support of my candidacy from PAZI or any individual or group having such hateful feelings and stand.

Again as we discussed yesterday, I am sending a copy of PAZI's letter to the local office of the Federal Bureau of Investigations (FBI) because the sentiments expressed by PAZI are not only distasteful but could be potentially harmful to those targeted within their letter. I am also forwarding a copy of this letter to the FBI office as well.

Once again I want to thank you for informing me about this organization and their outrageous claims. I believe that sharing information on these particular groups with US authorities and others and vocal opposition to those who espouse such views is the only way we will combat such ignorance and the potential violent reactions they cause. Please feel free to call me if you obtain any further information, or if you have any questions or suggestions on this matter. Also, below is the contact information to our local FBI office in the event you obtain additional information that may be useful to their investigation.

Sincerely Yours,

M. J. Khan

PAKISTANIS AGAINST ZIONIST INTERESTS (PAZI)

Our Time Has Come

Kill all the Jews - One Jew at a time

The Jews are screwing America & they are screwing the world. They control the US media and the political machinery and the foreign policy. They use US foreign policy for their own interest. Their interest is to kill all the Palestinians and occupy all the territory. The enmity between the West and Islam is growing due to the lies spread about Zionism. They are the most despicable people who walked the land. They are all evil. And why? Because they are deceiving and plotting aggressors. Israel is an alien outpost in the Arab world. Zionists want to make Israel strong by making all the countries around Israel weaker. That is why they had Iraq attacked and now they are going after Iran, Syria, Saudi Arabia, etc. And the butcher Sharon keeps on massacring the Palestinians without any interference.

But we are not going to stand and watch all these happen. We, the Pakistanis of America, are going to kill all the Jews in America. We call on all Pakistanis to do this - everywhere you meet Jews, kill them. If you have any Jewish neighbor, co-worker or any Jewish you know, just kill them. Run a car over them, poison them, stab them, throw them out a window, shoot them, just kill them - and this is Allah's will. Muhammad has said: "The Hour [Day of Resurrection] will not arrive until you fight the Jews, until a Jew will hide behind a rock or tree] and the rock and the tree will say: "Oh Muslim, servant of Allah, there is a Jew behind me, come and kill him!" The Day of Judgment will be that when Muslims will fight and kill all the Jews.

We are 100+ strong based in Houston, but we are going to spread all over America. In the next few months, the world will witness the executions of Jews in America. Joe Lieberman, the enemy of Muslims and mankind, has to be killed. So do many other prominent Jewish leaders in America. We will torture them, we will kill them - until no more Jews are left in America.

Blessings to whoever waged Jihad for the sake of Allah
Blessings to whoever shot a bullet into the head of a Jew

Let us support our own M. J. Khan for Houston City Council

Re: 66F-HO-C52849, 01/09/2004

In addition to the persons identified, [redacted] had several members from his campaign staff with him.

[redacted] said he suspected that the letter/flyer had been circulated by one of his opponents who is also Pakistani. It was the consensus of the group that the FBI not interview the unidentified candidate so as not to create a media issue, and that no press release would be made.

The group was advised that the FBI would follow up on the matter, and that the United States Secret Service had been forwarded a copy of the flyer due to U.S. Senator and Presidential Candidate Joseph Lieberman being mentioned specifically.
