RD 40132
Captioned individual is being designated a liaison source in connection with racial matters. He is currently director of the regional office of the Anti-Defamation League of the B'nai B'rith.

The Bureau by airtel 1/17/68, in the matter captioned LIAISON WITH ANTI-DEFAMATION LEAGUE OF B'NAI B'RITH, INFORMATION CONCERNING (INTERNAL SECURITY), advised that immediate liaison should be established if not already done, with the regional offices of this organization.

It is to be noted that a case has already been opened with Mr. BIRNDORF, and contact has been had with him concerning matters of mutual interest. Therefore, file 100-13878 captioned LIAISON WITH ANTI-DEFAMATION LEAGUE OF B'NAI B'RITH, INFORMATION CONCERNING (INTERNAL SECURITY), should be closed.

On 3/18/68, I contacted Mr. BIRNDORF personally at his office, 127 North Seventh Street, at which time the Bureau's jurisdiction and interest in developing information concerning individuals and organizations espousing bigotry, prejudice and extremism were discussed with him, along with general Bureau jurisdiction and interest.

Mr. BIRNDORF was most happy that we contacted him and pledged his complete cooperation in all matters wherein he might be of assistance to the FBI.

It is to be noted that credit and criminal check on Mr. BIRNDORF previously conducted are set forth in serial...
three of this file. Office indices on BIRNDORF are negative.

As director of the Anti-Defamation League of the B'nai B'rith, BIRNDORF is in continuing contact with various members in the community, seeking to upgrade conditions among the poor, underprivileged communities, including and at this time primarily involving the Negro element in the city of Minneapolis. As such, Mr. BIRNDORF stated he would keep the writer posted on various trends of thought in the Negro community and probable activities on the part of the various integrationist groups, racist groups, etc. In this regard, BIRNDORF advised that MATTHEW STARK, who is president of the Minnesota Civil Liberties Committee, and professor at the University of Minnesota, is a well educated man usually of moderate thinking, who recently seems to have become more directly and personally involved in the Negro integration movement in the Twin Cities area. He stated he believes STARK may have certain political aspirations in view of his recently avowed discontent with the policies and action of Mayor NAFTALIN and CALVIN HAWKINSON, Chief of Police, Minneapolis.

It is to be noted that STARK called a meeting of various Southside Minneapolis citizens at the Simpson Methodist Church Thursday, March 14, and again Sunday, March 17, for the purpose of discussing what position the mayor of Minneapolis and Chief of Police HAWKINSON assume in light of the Kerner Report.

ACTION: Continue development of BIRNDORF as a liaison source.
Anti-Defamation League Elects St. Paul Man

Merrill M. Kuller, a St. Paul businessman, was elected chairman Sunday of the Minnesota-Dakotas Region of the B'nai B'rith Anti-Defamation League.

Kuller, 2150 Edgerton Road, succeeds John J. Neuhauser, president of Moorhead, Minn., State College. Other new officers are Leo Bleiman, 205 Dakota Ave., Westwood Valley, and M. L. Beerman, Fargo, N.D., vice-chairman and Garyพรรณhoff, 4440 W. 25th St., St. Louis Park, treasurer.

Addressing the annual meeting, Neumailer said the league must not be concerned only with anti-Semitism. "When here in our own country millions of Negroes and Indians still live as second-class citizens..."

RE: LIAISON WITH THE ANTI-DEFAMATION LEAGUE
OF B'NAY B'RITH

The Anti-Defamation League, 315 Lexington Avenue,
New York City, maintains regional offices throughout the
United States. As you know, this organization, like the
Bureau, is opposed to groups and individuals espousing
bigotry, prejudice and extremism. It seeks to bring the
truth facts concerning such groups and individuals to light.

In the furtherance of these worthy objectives, the
Anti-Defamation League receives considerable information of
interest to this Bureau and has been very cooperative in the
past in referring such data to us. You are to immediately
make certain that you have established liaison with the head
of the Anti-Defamation League regional office in your territory
and explain the jurisdiction and interests of this Bureau.
For your information, there is attached a list of Anti-Defamation
League regional offices.

You should, of course, review your office indices
prior to making contact. Advise the Bureau if contact is not
deemed advisable.

If liaison has already been established, you should
review the relationship and submit to the Bureau the names of
any individuals connected with the Anti-Defamation League who
have not been cooperative.
