Director
Federal Bureau of Investigation
Washington, D. C.

Dear Sir

Reference is made to Bureau letter of August 5, 1940, wherein the Bureau asked to be advised by return mail relative to a list supplied by Miles Goldberg of the Anti-Defamation League containing all the representatives of this League throughout the United States.

I wish to advise that such a list was furnished the writer by Miles Goldberg on August 5, 1940. Miles Goldberg had only one complete master list with all of the up to date changes. He likewise provided eight older lists which did not set forth the up to date changes. At the present time these eight lists are being revised in order that they might be furnished the Bureau, as well as the larger Offices throughout the entire United States. It is contemplated that these lists will be ready for transmittal to the Bureau and other interested Offices by the end of the current week.

As to the Naval Intelligence being informed that there was such a list, I wish to advise that Miles Goldberg and Commander J. W. Gregory of the Ninth Naval District were present at the time that conversation was had relative to this list and Commander Gregory has requested a copy of the same. Unless contrary instructions are received from the Bureau, it is anticipated by the writer that this list will be provided Commander Gregory.

Very truly yours
