NOTE on ITEM “A.”—(a) In General. This "Report" form may be used by either an organization or an individual, as follows:
(b) "Employer."—To file as an "employer," state (in Item "B") the name, address, and nature of business of the "employer." (If the "employer" is a firm (such as a law firm or public relations firm), partners and salaried staff members of such firm may join in filing a Report as an "employee.") (c) "Employer—To file as an "employer," write "None" in answer to Item "B.").
(d) Employers subject to the Act must file separate Reports and are not relieved of this requirement merely because Reports are filed by their agents or employees.
(e) Employees subject to the Act must file separate Reports and are not relieved of this requirement merely because Reports are filed by their employers.

A. ORGANIZATION OR INDIVIDUAL FILING
1. State name, address, and nature of business.

American Zionist Committee for Public Affairs
1737 H St., N.W., Washington 6, D.C.
I. L. Kenen
Executive Director
Non-Profit association interested in foreign policy.

NOTE on ITEM "B."—Reports by Agents or Employees. An employee is to file, each quarter, as many Reports as he has employers; except that: (a) If a particular undertaking is jointly financed by a group of employers, the group is to be considered as one employer, but all members of the group are to be named, and the contribution of each member is to be specified; (b) If the work is done in the interest of one person but payment therefor is made by another, a single Report—naming both persons as "employers"—is to be filled each quarter.

B. EMPLOYER—State name, address, and nature of business. If there is no employer, write "None."

NOTE on ITEM "C."—(a) The expression "in connection with legislative interests," as used in this Report, means "in connection with attempting, directly or indirectly, to influence the passage or defeat of legislation." The term "legislation" means bills, resolutions, documents, nominations, and other matters pending or proposed in either House of Congress, and includes any other matter which may be the subject of action by either House"—§ 302 (e).
(b) Before undertaking any activities in connection with legislative interests, organizations and individuals subject to the Lobbying Act are required to file a "Preliminary" Report (Registration).
(c) After beginning such activities, they must file a "Quarterly" Report at the end of each calendar quarter in which they have either received or expended anything of value in connection with legislative interests.

C. LEGISLATIVE INTERESTS, AND PUBLICATIONS in connection therewith:
1. State approximately how long legislative interests are to continue. If receipts and expenditures in connection with legislative interests have terminated, place an "X" in the box at the left, so that this Office will no longer expect to receive Reports.
2. State the general legislative interests of the person filing and set forth the specific legislative interests by reciting: (a) Short titles of statutes and bills; (b) House and Senate numbers of bills, where known; (c) citations of statutes, where known; (d) whether for or against such statutes and bills.
3. In the case of those publications which the person filing has caused to be issued or distributed, in connection with legislative interests, set forth: (a) Description, (b) quantity distributed, (c) date of distribution, (d) name of printer or publisher (if publications were paid for by person filing) or name of donor (if publications were received as a gift).

(Assert items 1, 2, and 3 in the space below. Attach additional pages if more space is needed.)

The Committee favors economic and technical assistance to Israel and other states in the Near East. Inasmuch as legislation on these matters had not been introduced during the first quarter of 1955, the Committee's legislative activities were limited and it is estimated that not more than one-fifth of the Committee's funds were disbursed, or are properly allocable, for lobbying. The figures which appear on page two are computed accordingly. The Committee's major activities during this period were directed toward foreign policy problems in the Near East.

4. If this is a "Preliminary" Report (Registration) rather than a "Quarterly" Report, state below what the nature and amount of anticipated expenses will be; and if for an agent or employee, state also what the daily, monthly, or annual rate of compensation is to be. If this is a "Quarterly" Report, disregard this item "C4" and fill out Items "D" and "E" on the back of this page. Do not attempt to combine a "Preliminary" Report (Registration) with a "Quarterly" Report.
