A. ORGANIZATION OR INDIVIDUAL FILING

1. State name, address, and nature of business.

American Zionist Committee for Public Affairs

Washington 6, D.C.

2. If this Report is for an Employer, list names of agents or employees who will file Reports for this Quarter.

Paul S. Green

NOTE on ITEM "B"—Reports by Agents or Employees. An employer is to file, each quarter, as many Reports as he has employers; except that (a) If a particular undertaking is jointly financed by a group of employers, the group is to be considered as one employer, but all members of the group are to be named, and the contribution of each member is to be specified; (b) If the work is done in the interest of one person but payment therefor is made by another, a single Report naming both persons as "employees"—to be filed each quarter.

B. EMPLOYER—State name, address, and nature of business. If there is no employer, write "None."

NOTE on ITEM "C."—(a) The expression "in connection with legislative interests," as used in this Report, means "in connection with attempting, directly or indirectly, to influence the passage or defeat of legislation." The term "legislation" means bills, resolutions, amendments, nominations, and other matters pending or proposed in either House of Congress, and includes any other matter which may be the subject of action by either House—"1 402 (e).

(b) Before undertaking any activities in connection with legislative interests, organizations and individuals subject to the Lobbying Act are required to file a "Preliminary" Report (Registration).

(c) After beginning such activities, they must file a "Quarterly" Report at the end of each calendar quarter in which they have either received or expended anything of value in connection with legislative interests.

C. LEGISLATIVE INTERESTS, AND PUBLICATIONS in connection therewith:

1. State approximately how long legislative interests are to continue. If receipts and expenditures in connection with legislative interests have terminated, place an "X" in the box at the left, so that this Office will no longer expect to receive Reports.

2. State the general legislative interests of the person filing and set forth the specific legislative interests by reciting: (a) Short titles of statutes and bills; (b) House and Senate numbers of bills, where known; (c) citations of statutes, where known; (d) whether for or against such statutes and bills.

3. In the case of those publications which the person filing has caused to be issued or distributed, in connection with legislative interests, set forth: (a) description, (b) quantity distributed, (c) date of distribution, (d) name of printer or publisher (if publications were paid for by person filing) or name of donor (if publications were received as a gift).

(Answer items 1, 2, and 3 in the space below. Attach additional pages if more space is needed.)

1. Until adjournment of 83rd Congress.

2. In favor of the Mutual Security Program.

Only about one-fourth of the expenditures of the organization between July 1 and September 30 may be allocable to legislative interests. Accordingly, one-fourth of the receipts of the organization are also allocated for that purpose. During this period we circulated mimeographed letters on June 25 and July 15, urging a favorable vote on the Mutual Security Program (about 3,500 copies).

4. If this is a "Preliminary" Report (Registration) rather than a "Quarterly" Report, state below what the nature and amount of anticipated expenses will be; and if for an agent or employee, state also what the daily, monthly, or annual rate of compensation is to be. If this is a "Quarterly" Report, disregard this item "C4" and fill out Items "D" and "E" on the back of this page. Do not attempt to combine a "Preliminary" Report (Registration) with a "Quarterly" Report.

NOTE on ITEM "C4."—(b) After undertaking such activities, they must file a "Quarterly" Report at the end of each calendar quarter in which they have either received or expended anything of value in connection with legislative interests. Accordingly, one-fourth of the expenditures of the organization between July 1 and September 30 may be allocable to legislative interests.

C4. State the general legislative interests of the person filing and set forth the specific legislative interests by reciting: (a) Short titles of statutes and bills; (b) House and Senate numbers of bills, where known; (c) citations of statutes, where known; (d) whether for or against such statutes and bills.

(a) If this report is for an agent or employee.—(1) In general. In the case of many employees, all receipts will come under Items "D 8" (received for services) and "D 11" (expenses money and reimbursements). In the absence of a clear statement to the contrary, it will be presumed that your employer is to reimburse you for all expenditures which you make in connection with legislative interests.

(ii) Employer as contributor of $500 or more.—When your contribution from your employer (in the form of salary, fee, etc.) amounts to $500 or more, it is not necessary to report such contribution under "D 18" and "D 14," since the amount has already been reported under "D 7," and the name of the "employee" has been given under Item "D 7" on page 1 of this report.
