Office Memorandum • UNITED STATES GOVERNMENT

TO : Director, FBI

DATE: September 21, 1950

FROM : SAC, Newark

SUBJECT: [REDACTED]

Re New York letter to Director dated August 30, 1950.

Referenced letter requested the Newark Office to identify Mrs. BLANCHE SHEPHERD of 435 Sixtieth Street, West New York, New Jersey, and ascertain if she is employed by the American Palestine Committee, New York City, New York.

Credit records of the Credit Bureau of North Jersey, 615 Summit Avenue, Union City, New Jersey, in a report dated November 12, 1935 reflect that Dr. MYRON SHEPHERD and BLANCHE J. SHEPHERD reside at 435 Sixtieth Street, West New York, New Jersey and that former residences were listed as 433 Sixteenth Street, West New York; and 945 Hackensack Plank Road, North Bergen, New Jersey. The records reflect that Dr. SHEPHERD is a medical doctor, forty-five years of age at that time, had been residing at the above address for the past eleven years, owns the property, and enjoys a good reputation.

Mr. RALPH G. KREIGER, Vice President of the Trust Company of New Jersey, Union City, New Jersey, advised that Dr. and Mrs. MYRON SHEPHERD maintain an account in that bank; and he advised that he has known both Dr. and Mrs. SHEPHERD for many years and that Dr. SHEPHERD is an X-ray specialist. Mr. KREIGER advised that he considers Mrs. SHEPHERD a most unusual woman in that he is greatly impressed with her intelligence. He stated that she is very interested in world affairs and takes very little interest in the local or civic affairs of the community. Mr. KREIGER volunteered the information that Mrs. SHEPHERD is a woman of strong convictions and very definite opinions but would not consider her opinions of politics and world affairs of a radical or subversive nature.

Mr. KREIGER further stated that Dr. and Mrs. SHEPHERD have made several trips to Israel over the past few years, and he can definitely remember that they have made two trips within the past three years, arriving home from the last trip about two months ago. He stated that from

conversations which he has had while visiting with Dr. SHEPHERD in the bank, he gained the impression that the trips to Europe and Israel combined pleasure and a vacation with some definite purpose. He stated he could offer no information as to what definite reason they would have for going to Israel and emphasized that this was strictly his impression that he had gained.

Mr. KREIGER also stated that he knows that Mrs. SHEPHERD is employed in New York City, New York and has gained the impression that she is employed as a secretary to two important Jewish people who represent "international Jewish pressure groups". He stated that he did not know the name of the place where she worked. He also advised that even though her employment may be that of a secretary, he feels that she is so extremely intelligent that she is possibly more than a secretary and may be a member of one of the Jewish commissions or committees.

A pretext telephone call to Dr. SHEPHERD's secretary ascertained that Mrs. SHEPHERD is employed in New York City and could be contacted at Murray Hill 2-1160.

b7E

It is noted that the American Zionist Council, 342 Madison Avenue, New York City, New York, has the telephone listing Murray Hill 2-1160.

The Hudson County Medical Society at the Jersey City Medical Center reflected the following background information of Dr. SHEPHERD: date and place of birth, 1885, Wisconsin; graduated University of Illinois Medical School, 1909; registered New Jersey 1923; former resident of St. Paul, Minnesota.

The State Board of Medical Examiners, Trenton, New Jersey, reflected the following background information regarding Dr. SHEPHERD:

Date of Birth:	August 16, 1882
Place of Birth:	Russia

Rebulet dated 8/31/50, which sets forth information concerning CARMEL OFFIE.

This is to advise that the records of the Immigration and Naturalization Service, New York City, reflect that ELIEZER LIEBENSTEIN, mentioned in referenced letter, departed United States on May 29, 1950 from New York City via TWA Air Lines. ~~TSX~~

Arrangements are being made to place lookout notice against this individual in the event of his return to the United States.

In referenced letter, it is set forth that the possibility exists that a family relationship exists between ELIEZER LIEBENSTEIN and JAY LOVESTONE. The files of this office indicate that JAY LOVESTONE was born JACOB LIEBSTEIN on December 15, 1897 at Malchad, Poland. It will be noted that the spelling of LIEBENSTEIN's and LOVESTONE's original name is different. However, both individuals were born in Poland. ~~TSX~~

Further investigation is being conducted to ascertain if there is a family relationship between these two individuals.

Rumours about Mapei-daily 'HADOR'

'HAMISHVAR' reports as follows:-

A. Liebenstein gave up editorship of 'H a d o r'

Eliezer Liebenstein

Tel Aviv - Thursday - According to 'Haaretz', Mr. A. Liebenstein is about to give up his appointment as Chief Editor of HADOR, the daily evening-paper of M a p e i.

It is understood from Mapei circles that this step is a consequence of the direct intervention of Mr. Ben-Gurion owing to the bad impression created in the capitals of some countries in friendly relations to Israel by the clamorous anti-Soviet headlines of this paper. After the echo of this reaction had reached the office of the Prime Minister, Mr. Liebenstein was invited to a conference with Mr. Ben-Gurion lasting for more than 2 hours, and afterwards Mr. Liebenstein left his job as Chief Editor of the paper.

The question of 'Hador' and its editorial staff is on the agenda of Mapei party-institutions already for some time. At present the question of changing the paper into a morning daily is under consideration. According to other information suggestions have also been made to close the paper all together. 'Hador' denies the information of 'Haaretz' and characterizes them as pure gossip.
