SUBJECT: ① ISRAELI INTELLIGENCE SERVICE
ESPIONAGE - IS

DATE: June 13, 1950 *file 6*

Reference is made to letter from New York to Bureau dated March 17, 1950, and to Detroit teletype to New York dated June 17, 1949.

The fifth and sixth paragraphs of referenced letter requested the Detroit Division to make a re-check of the Title and Registration Division of the Michigan Department of State concerning Michigan 1949 license BW 23-27. Referenced teletype to New York, however, reflects that the original check of Michigan records pertain to 1949 license BW 23-37. It is believed, therefore, that the number BW 23-27 set forth in referenced letter may possibly be the result of a typographical error.

Michigan 1949 license BW 23-37 was issued to Mr. GIDEON RAFAEL, Tel Aviv, Israel, on April 20, 1949, for a 1949 Plymouth four door sedan bearing Motor No. P18-20579 and Serial No. 12133556. The license issued for this automobile was a temporary license issued by the Michigan Department of State to the purchaser of this car, who bought it from the Chrysler Corporation, Export Division, 341 Massachusetts Avenue, Detroit. The name of the purchaser was given as GIDEON RAFAEL and he paid cash for the car. According to the records of the Title and Registration Division of the Michigan Department of State at Lansing, no sales tax was paid on the car and the license fee for the temporary plate was refunded on July 25, 1949, after a letter dated July 11, 1949, was received by the Title and Registration from GIDEON RAFAEL. In this letter, Mr. RAFAEL indicated that the car was at that time registered in New York State, United Nations number 423. The letter from Mr. RAFAEL was on stationery of the "Office of Representative to the United Nations," 11 E. 70th Street, New York 21, New York.

There is no other information in the files of the Title and Registration Division of the Michigan Department of State at Lansing, relative to 1949 license BW 23-37 and the automobile for which that license temporarily was issued. RUC.

A review of the records of INS, Washington, D. C., has revealed the following information concerning one SIMON MENACHE, with aliases, SIMON MENASHE, SELI MENACHE, who is undoubtedly identical with the SIMON MENACHE mentioned in referenced letter.

The files contain an application for an immigration visa by MENACHE dated October 20, 1948, reflecting that MENACHE was born May 25, 1923, at Cairo, Egypt. It is further reflected that he is the son of FARIDA MENACHE who resides at 713 Khalig el Masri, Cairo, Egypt, and EZEKIEL MENACHE, deceased. According to the application, MENACHE's purpose in going to the United States was "to immigrate" and to engage in journalistic and advertising work. He was destined to a friend named JOSEPH HARARI, 779 Madison Avenue, New York City, New York.

According to the application, a visa was issued MENACHE on October 31, 1948 (valid until October 17, 1949) by virtue of which he entered the United States on January 29, 1949 at New York City via the SS "Excalibur". According to the application, MENACHE is described as follows:

Height: 5' 7"	Occupation: journalist
Hair: black	Residence: 713 Khalig el Masri
Eyes: brown	Cairo, Egypt
Religion: Hebrew	Alien Registration No.: 7114909
Complexion: medium	(MENACHE's fingerprints are contained
Nationality: "without"	in the immigration file)

The immigration file also contains MENACHE's application for permanent accreditation to the United Nations Department of Public Information as a news correspondent for the "Societe Orientale de Publicite", apparently of Cairo, Egypt. By letter dated February 28, 1950 from the State Department to INS, it was reflected that the UN had extended the accreditation of MENACHE from January 16, 1950 to January 27, 1951. The file also contains MENACHE's

application for a permit to re-enter the United States dated January 5, 1950 and reflecting his plans to leave New York January 15, 1950 via air to visit France, Switzerland and Italy for a period of two to four months. The purpose of his planned trip was to cover UN events in Paris and Geneva as a correspondent for "The Societe Orientale de Publicite". He also planned to visit Italy.

Although the file does not specifically indicate as to MENACHE's return to the United States, it is presumed that he is now in this country. The above application for a re-entry permit reflects his address as 147 West 76th Street, New York City.

According to the INS file, MENACHE filed a declaration of intention to become a U. S. citizen, #600712, in the U. S. District Court, SDNY, on April 28, 1949.
